

DINING POLL: **257** GREAT PLACES TO EAT

# New Jersey

## Readers' Picks

The results of our 31st Annual Jersey Choice Restaurant Poll were tabulated by the accounting firm WithumSmith + Brown. The winning restaurant in each region received the most votes in its category (in some cases there were ties). Ballots from duplicate e-mail or IP addresses were disqualified. Editorial discretion was used when votes were cast for restaurants that, in our judgment, belonged in another category. We have also added our critics' picks (★). All qualified ballots were eligible to win our random drawing. This year's winner is Priscilla Faustina of Pine Brook. She will receive a gift certificate for dinner for two at Palm River Terrace, the Best of the Best poll winner in the North region.
